

A word cloud featuring various programming languages, frameworks, and technologies. The words are arranged in a horizontal, overlapping manner. The colors of the words correspond to the logos of the respective technologies: blue for Ubuntu, green for Python, yellow for macOS, purple for Docker, and various other colors for smaller words.

Visible words include:

- Ubuntu
- Python
- macOS
- Git
- Latex
- Cantera
- Docker
- Linux
- Arch
- Office
- React
- OpenCL
- Java
- Bash
- OpenMP
- Haskell
- Ghidra
- OpenGL
- CUDA
- Windows
- Matlab
- SQL
- x86
- CSS
- Fortran
- RegEx
- Markdown
- Slurm
- HTML
- JavaScript
- MPI
